

This is a detailed architectural floor plan of the 20th floor. The plan shows a large central area with multiple rooms, each labeled with a room number and name. The rooms are arranged in a grid-like fashion, with corridors and service areas interspersed. The plan includes various furniture items such as desks, chairs, and sofas. Technical specifications and dimensions are provided for many of the rooms. The plan is color-coded, with green lines indicating walls and room boundaries, and red lines indicating corridors and service areas. The overall layout is complex and detailed, providing a comprehensive view of the 20th floor's design.
